[Woman]: "Looking good. Now let's tackle a few problem areas. Yes you wrote on a job application

that a woman has no constitutional right to an abortion, but your excuse is brilliant.

You only did it to get a job. You broke your promise not to rule on cases involving

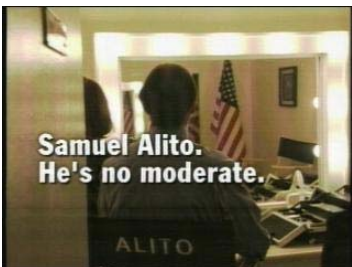

that company you invested with. Stick to your answer, 'computer glitch.'

Oh, the group you belonged to that wanted to restrict African American admission to your college,

you've been saying, 'I don't recall.' Love it!" [Announcer]: Samuel Alito's no moderate.

But he plays one on TV. MoveOn.org is responsible for the content of this advertisement.
