1. I am 59 years old and was born in Greece. I moved to the United States in 1954 when I was 7. I became a citizen of the United States in about 1969.
2. I have lived in Ohio since 1954.
3. I registered to vote when I became a citizen. I believe that I have voted in most primary and general elections since then. I plan to vote in the November 2006 general election and the elections that follow. My right to vote is precious to me, and I believe it is one of my responsibilities to vote.
4. It is my understanding that, if my eligibility to vote were challenged at the polls for being a noncitizen, I would be required to present my original certificate of naturalization.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge. Executed this 28th day of August 2006 in Cuyahoga County, Ohio.

Sophia Loizos
