Re: Subpoena NAACP v. NYS Board of Elections  
Index No. 10 CV 2950 (FB) (RML)

Your Honor,

This Office represents the Nassau County Board of Elections and we submit this letter to respectfully request an extension of time to serve objections to a non-party subpoena served by the Plaintiff's counsel, Jenner & Block. Plaintiff's counsel has consented to this application.

I respectfully request an extension of time until October 19, 2010 to serve any objections to the documents requested in the subpoena. The non-party subpoena was served on September 15, 2010 and the objections are currently due on September 29, 2010. Plaintiff's counsel has consented to this extension of time. Our client is in the midst of dealing with the elections and we need additional time to review the demands especially in the light of the new voting machines utilized in the elections. This extension would not prejudice the subpoena issuing party since the docket indicates that an initial conference is not scheduled until November 3, 2010 and an answer has not yet been interposed by the defendants.

No previous application has been made for this request.

Respectfully submitted,
