The Legal Services Corporation (LSC) distributes appropriated funds to local non-profit organizations that provide free civil legal assistance, according to locally-determined priorities, to people living in poverty. The Congress chartered the corporation as a private, non-profit entity outside of the Federal Government. Funding for LSC helps ensure that low-income Americans have an opportunity to obtain access to the courts, due process and fair treatment. The increase in basic field grants will enable LSC grantees to serve more low-income Americans who have civil legal problems. Technology initiative grants can be directed to targeted new initiatives such as helping veterans and military families, as well as foreclosure prevention work. In concurrence with GAO recommendations, LSC requires increased Management and Grants Oversight resources to continue to improve the oversight of grantees.
