[Greg Shaw]: "Recently the U.S. Supreme Court ruled 5 to 4 to protect your gun rights."

5: 4, had one Judge voted different,

your constitutional right to bear arms would have changed.

I'm Judge Greg Shaw.

I'm proud to have over two decades of experience with the SAFE high court.

I'm the only candidate in the Supreme Court with that type of experience,

and I'll work hard to protect our family values. One vote, your vote, makes a difference."

[Announcer]: Greg Shaw, serving Alabama with Supreme Court experience. [PFB]: JUDGE GREG SHAW COMMITTEE, INC
