[Deborah Bell Paseur]: "I'm Deborah Bell Paseur, and I want to know

whatever happened to those entertaining TV ads with talking lizards and turtles.

Now every ad is political, and everybody's calling each other names."

[Announcer]: Forget politics. Deborah is different.

Judge Deborah Bell Paseur is the only candidate who's sent criminals to jail

And Deborah will keep working to help troubled children avoid a life of crime.

[Deborah Bell Paseur]: "If you honor me with your vote, I'll serve you with honor."

[Announcer]: Judge Deborah Bell Paseur. Amazing strength and the grace to serve.
