[Greg Shaw]: "Through deceptions and lies, my opponent has made a mockery of the supreme court race.

The race for the supreme court is not a football game. It should be conducted with

dignity and integrity. Some will sell their souls to win an election.

Not me. Experience is important. The supreme court is an appellate court

and I'm the only candidate with any experience on the appellate court.

Negative campaigns are neither amazing nor graceful."

[Announcer]: Judge Greg Shaw. [Greg Shaw]: "Had enough? Now's your chance."
