[Announcer]: The whole truth. That's what judges

expect from us. Yet, Judge Deborah Bell Paseur

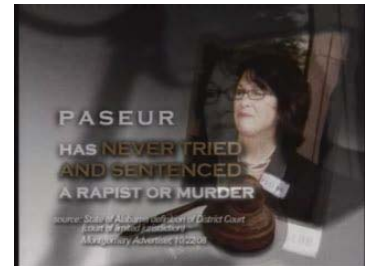

hasn't been straight with Alabama. Paseur claimed she's not taken one dime from

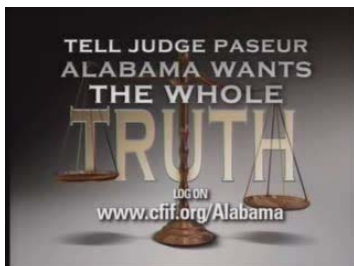

oil companies, but her campaign's been caught hiding PAC money from an oil company lobbyist.

And Paseur claims to be tough on crime when in fact she's never tried and sentenced

a rapist or murderer. What kind of example is she providing?

Log on today. Ask Judge Paseur to tell Alabama the whole truth about her oil money and positions on crime.
