Announcer]: Greg Guidry and Jimmy Kuhn are experienced judges, but

there are big differences. Greg Guidry is a conservative and a lifelong Republican.

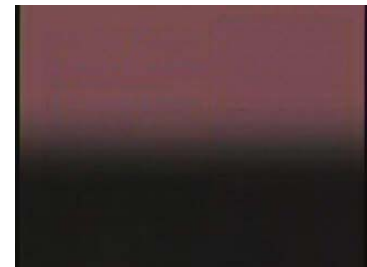

As a Federal Prosecutor Guidry put violent drug criminals and

corrupt public officials behind bars. Jimmy Kuhn was a

Democrat until recently. As a personal injury attorney Kuhn filed

over \$150 million in class action lawsuits,

the kind that can enrich lawyers, but leave plaintiffs with little money. Guidry and Kuhn, big differences.
