[Announcer]: Last year liberal TV ads smeared Bobby Jindal. Now their

smeared Bobby Jindal, but smears can't hide the truth.

A former personal injury lawyer, Judge Jimmy Kuhn has let dozens of violent

and drug criminals walk without any jail time. Then there's the killer

who shot and killed a paraplegic in a wheelchair...

set free after only 18 months. The judge? Jimmy Kuhn.

18 months for a cold blooded killer. Jimmy Kuhn, where's the justice?
