[Announcer]: Sunday, November 2nd, the Committee on Judicial Oversight of the Louisiana Supreme Court

officially sanctioned Judge Greg Guidry for violation of the Canon of

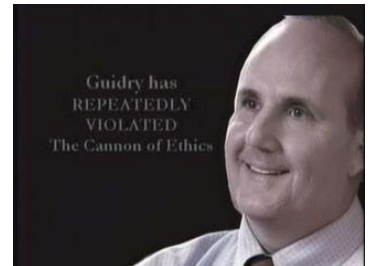

Judicial Ethics for his false and misleading attacks on Judge Jimmy Kuhn.

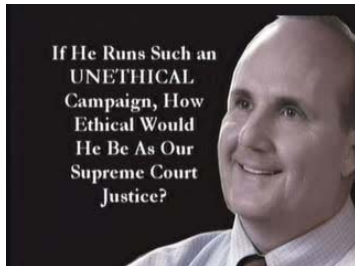

In a ruthless campaign, dominated by Greg Guidry's many

attacks on Judge Kuhn, Guidry has repeatedly violated the Canon of Ethics.

If he runs such an unethical campaign, how ethical would he be as

our supreme court justice? Don't let Greg Guidry go to our supreme court.
