[Announcer]: When Las Vegas insiders tried to coerce special treatment

from Kris Pickering, she called the police and blew the whistle,

triggering an FBI investigation into judicial corruption.

No wonder our police endorse Pickering for Supreme Court, praising her honor and integrity.

The Review Journal endorses Pickering's refusal to finch in tough situations.

[Kris Pickering]: "I'll have one priority on the Supreme Court, protecting your rights and the rights

of all Nevadans." [Announcer]: For judicial ethics, pick Pickering for Supreme Court.

[PFB]: COMMITTEE TO ELECT KRIS PICKERING
