[Announcer]: Who can we trust on criminal justice issues? Not these negative ads. Newsweek calls them

"distorted". An independent panel says they're false,

unfair, and misleading. The truth...

more than 18,000 Wisconsin law enforcement officers stand behind Justice Louis Butler,

because they know his real record on crime.

Butler has rejected appeals by criminal defendants 97 percent

of the time. Tell Justice Louis Butler to continue working to keep Wisconsin families safe.
