[Announcer]: The choice for Supreme Court, pretty simple... a politician or a judge.

Mike Gableman, politician and big campaign contributor,

made phone calls to political fundraisers at taxpayer expense.

Now, he's running the most negative judicial campaign ever.

The better choice, Justice Louis Butler, 16 years experience as a judge,

supported by 95 percent of judges statewide,

endorsed by over 18 thousand law enforcement officers. Retain Justice Louis Butler."
