[Announcer]: Menis Ketchum was raised in Wayne County, West Virginia with a clear idea of what values mattered most.

Menis Ketchum's grandfather and namesake was the sheriff and his father was an army officer.

Menis had school, sports, friends and then he went on to serve the law too.

He took on corporations who cheated consumers and senior citizens. And was named one of the best lawyers in America

for the past 20 years. Now Menis Ketchum is running for Supreme Court. He's back by both labor unions and

business leaders because Menis Ketchum can't be bought. When we elect Menis Ketchum, he'll restore

integrity to the court. And Menis Ketchum will be a leader outside the court. He'll work with our police and parents

to keep kids in school and out of trouble. Because of where he came from and who he has become, Menis Ketchum will be more than just a judge.
