[Announcer]: The economy is teetering, and here's Darrell McGraw wasting the people's money.

Watching a few of his buddies get rich with some of the money, while Medicare says

some should go to people in need. Spending millions putting his name on vans,

TV ads, and all those McGraw trinkets. It's gotten so bad they've

passed a law to try and put a leash on McGraw's lawsuits.

Tell McGraw enough. Stop wasting the people's money.

Paid for by the West Virginia Chamber of Commerce. Not authorized by any candidate or candidate's committee.
