Judge Janet Stumbo

test

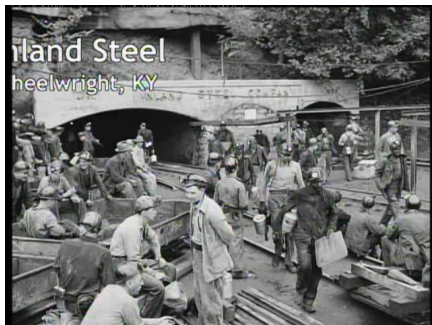

Judge Janet Stumbo
for Kentucky Supreme Court

When you come before a judge, you want someone who honestly listens and who decides without favoritism.

Justice has to work for everyone, not just the powerful.

My name's Janet Stumbo, and I'm the daughter of a coal miner.

In my 22 years as a judge, I've never forgotten where I came from.

If I'm allowed to serve another term on the Kentucky Supreme Court,

this coal miner's daughter will do her best to make you proud.

[PFB] I'm Janet Stumbo, and I approve this message.
