I'm Tim Cullen.

I've devoted the last 17 years of my career to cases before the Arkansas Supreme Court.

And today, I need your help.

As a father of three, I believe in the future of Arkansas.

I want our children to have real opportunity here.

Whether it is to get a good job, or have confidence in the strength of our criminal justice system.

I will never forget, I must remain deserving of your trust.
