[Announcer]: Carol Hunstein has unleashed one of the most personal attack ads of Georgia's election season.

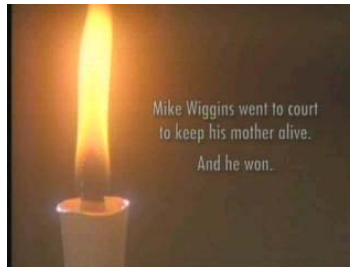

When they tried to remove life support from his comatose mother,

Mike Wiggins kept his promise to her. Mike Wiggins went

to court to keep his mother alive. And he won.

Now Carol Hunstein has gone over the line. She's twisting that

case into probably the most brutal ad Georgia's ever seen in

a judicial race. Carol Hunstein, brutally poor judgment.
