JOINT TERRORISM TASK FORCE

STANDARD MEMORANDUM OF UNDERSTANDING

BETWEEN

THE FEDERAL BUREAU OF INVESTIGATION

AND

CHICAGO POLICE DEPARTMENT

PREAMBLE

The policy of the United States with regard to domestic and international terrorism is to deter, defeat, and respond vigorously to all terrorist attacks on our territory and against our citizens, or facilities. Within the United States, the Department of Justice, acting through the Federal Bureau of Investigation (FBI), is the lead agency domestically for the counterterrorism effort.

In order to ensure that there is a robust capability to deter, defeat, and respond vigorously to terrorism in the U.S. or against any U.S. interest, the FBI recognizes the need for all federal, state, local, and tribal agencies that are involved in fighting terrorism to coordinate and share information and resources. To that end, the FBI believes that the creation of the FBI National Joint Terrorism Task Force (NJTTF) and Joint Terrorism Task Forces (JTTFs) embodies the objectives of the U.S. policy on counterterrorism as set forth in Presidential Directives.

FBI policy for the NJTTF and JTTFs is to provide a vehicle to facilitate sharing FBI information with the intelligence and law enforcement communities to protect the United States against threats to our national security, including international terrorism, and thereby improve the effectiveness of law enforcement, consistent with the protection of classified or otherwise sensitive intelligence and law enforcement information, including sources and methods. All NJTTF and JTTF operational and investigative activity, including the collection, retention and dissemination of personal information, will be conducted in a manner that protects and preserves the constitutional rights and civil liberties of all persons in the United States.

FOR OFFICIAL USE ONLY

This Memorandum of Understanding (MOU) shall serve to establish the parameters for the detail of employees (Detailees or members) from the Participating Agency to the FBI-led JTTFs in selected locations around the United States.

I. PURPOSE

- A. The purpose of this MOU is to outline the mission of the JTTF, and to formalize the relationship between the FBI and the Participating Agency, in order to maximize cooperation and to create a cohesive unit capable of addressing the most complex terrorism investigations.
- B. The MOU specifically represents the agreement between the FBI and the Participating Agency, which will govern the process by which employees of the Participating Agency are detailed to work with the FBI as part of the JTTF.
- C. This MOU is not intended, and should not be construed, to create any right or benefit, substantive or procedural, enforceable at law or otherwise by any third party against the parties, their parent agencies, the U.S., or the officers, employees, agents or other associated personnel thereof.

II. MISSION

The mission of the JTTF is to leverage the collective resources of the member agencies for the prevention, preemption, deterrence and investigation of terrorist acts that affect United States interests, and to disrupt and prevent terrorist acts and apprehend individuals who may commit or plan to commit such acts. To further this mission, the JTTF shall serve as a means to facilitate information sharing among JTTF members.

III. AUTHORITY

Pursuant to 28 U.S.C. § 533, 28 C.F.R. § 0.85, Executive Order 12333, Presidential Decision Directives (PDD) 39, PDD 62, and pending approval of National Security Presidential Decision Directive (NSPD) 46 and Homeland Security Presidential Directive (HSPD) 15, the FBI is authorized to coordinate an intelligence, investigative, and operational response to terrorism. By virtue of that same authority, the FBI formed JTTFs composed of other federal, state, local, and tribal law enforcement agencies acting in support of the above listed statutory and regulatory provisions.

[Participating agencies may include applicable authority for entering into this MOU.]

FOR OFFICIAL USE ONLY

IV. CONTROLLING DOCUMENTS

- A. Since the JTTF operates under the authority of the Attorney General of the United States, all JTTF participants must adhere to applicable Attorney General's Guidelines and directives, to include the following; as amended or supplemented:
1. Attorney General's Guidelines on General Crimes, Racketeering Enterprise and Terrorism Enterprise Investigations;
 2. Attorney General's Guidelines for FBI National Security Investigations and Foreign Intelligence Collection;
 3. Attorney General's Guidelines on Federal Bureau of Investigation Undercover Operations;
 4. Attorney General's Guidelines Regarding Prompt Handling of Reports of Possible Criminal Activity Involving Foreign Intelligence Sources;
 5. Attorney General Memorandum dated March 6, 2002, titled "Intelligence Sharing Procedures for Foreign Intelligence and Foreign Counterintelligence Investigations Conducted by the FBI";
 6. Attorney General's Guidelines Regarding the Use of Confidential Informants;
 7. Attorney General's Guidelines on the Development and Operation of FBI Criminal Informants and Cooperative Witnesses in Extraterritorial Jurisdictions;
 8. Attorney General's Guidelines Regarding Disclosure to the Director of Central Intelligence and Homeland Security Officials of Foreign Intelligence Acquired in the Course of a Criminal Investigation; and
 9. Memorandum from the Deputy Attorney General and the FBI Director re: Field Guidance on Intelligence Sharing Procedures for [Foreign Intelligence] and [Foreign Counterintelligence] Investigations (December 24, 2002).
- B. All guidance on investigative matters handled by the JTTF will be issued by the Attorney General and the FBI. The FBI will provide copies of the above-listed guidelines and any other applicable policies for reference and review to all JTTF members. Notwithstanding the above, this MOU does not alter or abrogate existing directives or policies regarding the conduct of investigations or the use of special

FOR OFFICIAL USE ONLY

investigative techniques or controlled informants. The FBI agrees to conduct periodic briefings of the member agencies of the JTTF pursuant to all legal requirements and FBI policies.

V. STRUCTURE AND MANAGEMENT OF THE TASK FORCE

A. MEMBERS

1. Each JTTF shall consist of a combined body of sworn and non-sworn personnel from the FBI and each Participating Agency. This MOU shall apply to Participating Agencies that join the JTTF subsequent to execution of this agreement.

B. PROGRAM MANAGEMENT, DIRECTION, AND SUPERVISION

1. In order to comply with Presidential Directives, the policy and program management of the JTTFs is the responsibility of FBI Headquarters (FBIHQ). The overall commander of each individual JTTF will be the Special Agent in Charge (SAC) or Assistant Director in Charge (ADIC), if assigned, of the FBI's local Field Division. The operational chain of command beginning at the highest level, in each FBI Field Division will be as follows: ADIC if assigned, SAC, Assistant Special Agent in Charge (ASAC), and Supervisory Special Agent [JTTF Supervisor].
2. Each FBI ADIC/SAC, through his or her chain-of-command, is responsible for administrative and operational matters directly associated with the Division's JTTF(s). Operational activities will be supervised by FBI JTTF Supervisors. Staffing issues are the responsibility of the FBI chain of command.
3. All investigations opened and conducted by the JTTF must be conducted in conformance with FBI policy, to include the above stated Controlling Documents. Each FBI ADIC/SAC, through his or her chain-of-command, will ensure that all investigations are properly documented on FBI forms in accordance with FBI rules and regulations. Any operational problems will be resolved at the field office level. Any problems not resolved at the field office level will be submitted to each agency's headquarters for resolution.
4. Each Participating Agency representative will report to his or her respective agency for personnel administrative matters. Each Participating Agency shall be responsible for the pay, overtime, leave, performance appraisals, and other

FOR OFFICIAL USE ONLY

personnel matters relating to its employees detailed to JTTFs. As discussed later herein at Paragraph XI, the FBI and the Participating Agency may provide for overtime reimbursement by the FBI by separate written agreement.

5. Each JTTF member will be subject to the personnel rules, regulations, laws, and policies applicable to employees of his or her respective agency and also will adhere to the FBI's ethical standards and will be subject to the Supplemental Standards of Ethical Conduct for employees of the Department of Justice. Where there is a conflict between the standards or requirements of the Participating Agency and the FBI, the standard or requirement that provides the greatest organizational protection or benefit will apply, unless the organizations jointly resolve the conflict otherwise.
6. JTTF members are subject to removal from the JTTF by the FBI for violation of any provision of this MOU, the FBI's ethical standards, the Supplemental Standards of Ethical Conduct for employees of the Department of Justice, or other applicable agreements, rules, and regulations.
7. The FBI maintains oversight and review responsibility of the JTTFs. In the event of an FBI inquiry into JTTF activities by an investigative or administrative body, including but not limited to, the FBI's Office of Professional Responsibility or the FBI's Inspection Division, each Participating Agency representative to the JTTF. may be subject to interview by the FBI.

C. PHYSICAL LOCATION AND SUPPORT:

1. The FBI will provide office space for all JTTF members and support staff. In addition, the FBI will provide all necessary secretarial, clerical, automation, and technical support for the JTTF in accordance with FBI guidelines and procedures. The FBI will provide all furniture and office equipment. Participating agencies may bring office equipment or furniture into FBI space with the approval of the FBI JTTF Supervisor and in compliance with FBI regulations.
2. The introduction of office equipment and furniture into FBI space by Participating Agencies is discouraged, as any such material is subject to examination for technical compromise, which may result in its being damaged or destroyed.

FOR OFFICIAL USE ONLY

VI. SECURITY PROGRAM

A. CLEARANCES

1. State, local, and tribal members of the JTTFs, as well as appropriate supervisory personnel responsible for these individuals, must apply for and receive a Top Secret/Sensitive Compartmented Information (TS/SCI) Security Clearance granted by the FBI. JTTF members from other federal agencies must obtain a Top Secret/SCI clearance from their agency and have this information passed to the FBI. No one will have access to sensitive or classified documents or materials or FBI space without a valid security clearance and the necessary "need-to-know." Pursuant to the provisions of Section 1.2 of Executive Order 12968, Detailees are required to have signed a nondisclosure agreement approved by the FBI's Security Division. Pursuant to federal law, JTTF members are strictly forbidden from disclosing any classified information to individuals who do not possess the appropriate security clearance and the need to know.
2. All JTTF management personnel must ensure that each participating JTTF officer or agent undertakes all necessary steps to obtain a TS/SCI clearance. Conversion of FBI counterterrorism and JTTF spaces to Sensitive Compartmented Information Facilities (SCIFs) is underway. This will require that all JTTF task force officers enhance their clearances to TS/SCI (SI, TK, Gamma, HCS-P).
3. Federal agency task force officers should contact their Security Officers and request and obtain the following SCI Clearances: SI, TK, Gamma, and HCS-P. If the parent agency refuses or is unable to provide the appropriate clearances, the FBI will request the task force officer's security file. If provided, the FBI will adjudicate SCI clearances. This action may involve a prohibitively long process and should be avoided.
4. Each Participating Agency fully understands that its personnel detailed to the JTTF are not permitted to discuss official JTTF business with supervisors who are not members of the JTTF unless the supervisor possesses the appropriate security clearance and the dissemination or discussion is specifically approved by the FBI JTTF Supervisor. Participating Agency heads will be briefed regarding JTTF matters by the SAC or ADIC, as appropriate, through established JTTF Executive Board meetings.

FOR OFFICIAL USE ONLY

5. In accordance with the Director of Central Intelligence Directive (DCID) 6/4, entitled Personnel Security Standards and Procedures Governing Eligibility for Access to Sensitive Compartmented Information (SCI), the FBI will implement protocols to ensure Special Agent (SA) and Task Force Officers (TFO) assigned to Joint Terrorism Task Forces (JTTF) in the field and the National Joint Terrorism Task Force (NJTTF) at FBI Headquarters - Liberty Crossing 1, are in compliance with stated directive. In order to comply with DCID 6/4, all JTTF personnel, including FBI and non-FBI JTTF members and contractors who perform functions requiring access to FBI classified data networks and space, will be given counter-intelligence focused polygraphs. The FBI will recognize polygraph examinations conducted by outside federal agencies that meet the FBI's PSPP requirement. The FBI will make the final determination whether a polygraph examination meets the PSPP requirements.
6. All JTTF members must agree to submit to counter-intelligence focused polygraphs as part of the process for obtaining and retaining a Top Secret Security Clearance.

B. RESTRICTIONS ON ELECTRONIC EQUIPMENT

Personally owned Portable Electronic Devices (PEDs) including, but not limited to, personal digital assistants, Blackberry devices, cellular telephones, and two-way pagers are prohibited in FBI space unless properly approved. No personally owned electronic devices are permitted to operate within SCIFs as outlined in DCI Directive 6/9 and existing Bureau policy. All other non-FBI owned information technology and systems (such as computers, printers, fax machines, copiers, PEDs, cameras, and media including diskettes, CDS, tapes) require FBI approval prior to introduction, operation, connection, or removal from FBI spaces to include SCIFs. Additionally, if approved by the FBI Security Officer, these systems must operate in compliance with the FBI's policies, guidelines, and procedures.

VII. DEPUTATION

Non-federal members of the JTTF who are subject to a background inquiry and are sworn law enforcement officers will be federally deputized while detailed to the JTTF. The FBI will secure the required authorization for their deputation. Deputation of these individuals will ensure that they are able to assist fully in investigations in compliance with applicable federal statutes. On occasion, investigations may be conducted outside of the JTTF's assigned territory. Deputation will allow non-federal members of the JTTF to exercise federal law enforcement authority throughout the United States.

FOR OFFICIAL USE ONLY

Under the terms of this MOU, all Participating Agencies agree that non-sworn personnel detailed to the JTTF will not : (1) participate in law enforcement activities, (2) carry a weapon; or (3) participate in the execution of search/arrest warrants.

VIII. STAFFING COMMITMENT

- A. In view of the need for security clearances and continuity of investigators, all personnel detailed to the JTTF should be expected to be detailed for a period of at least two (2) years. This MOU imposes no maximum limit as to the time that any individual may remain a member of the JTTF. All non-FBI members of the JTTF must adhere to the same rules and regulations as FBI employees with regard to conduct and activities while in FBI space, while operating FBI vehicles, and while conducting JTTF business. All Task Force members detailed from other federal agencies are responsible for maintaining an appropriate case load, as directed by JTTF management.

- B. All investigators detailed to the JTTF will be designated either full-time or part-time. The operational needs of the JTTF require that any assignments to special details, or duties outside of the JTTF to full-time JTTF members be coordinated with the FBI JTTF Supervisor. Though each JTTF member will report to his or her respective Participating Agency for personnel matters, he or she will coordinate leave with the JTTF's FBI JTTF Supervisor.

- C. During periods of heightened threats and emergencies, the JTTFs may be expected to operate 24 hours per day, seven days per week, for extended periods of time. To function properly, the JTTF depends upon the unique contributions of each Participating Agency. Accordingly, during these periods, each Participating Agency member will be expected to be available to support JTTF activities.

IX. RECORDS, REPORTS AND INFORMATION SHARING

- A. All JTTF materials and investigative records, including any Memorandum of Understanding, originate with, belong to, and will be maintained by the FBI. All investigative reports will be prepared by JTTF personnel solely on FBI forms. All information generated by the FBI or the JTTF will be controlled solely by the FBI and may not be removed from FBI space without the approval of the JTTF Supervisor. Dissemination, access or other use of JTTF records will be in accordance with Federal law, Executive Orders, and Department of Justice and FBI regulations and policy, including the dissemination and information sharing provisions of the FBI Intelligence Policy Manual. As FBI records, they may be disclosed only with FBI permission and only in conformance with the provisions of federal laws and regulations, including the

FOR OFFICIAL USE ONLY

Freedom of Information Act, 5 U.S.C. Section 552, and the Privacy Act of 1974, 5 U.S.C. Section 552a, as well as applicable civil and criminal discovery privileges. This policy includes any disclosure of FBI information, including JTTF materials and investigative records, to employees and officials of a Participating Agency who are not members of a JTTF, which must be approved by the JTTF supervisor. All electronic records and information, including, but not limited to, systems, databases and media, are also regulated by FBI policy. JTTF members may request approval to disseminate FBI information from the JTTF Supervisor.

- B. Each Participating Agency agrees to have its Detailees to the JTTF execute an FD-868, or a similar form approved by the FBI. This action obligates the Detailee, who is accepting a position of special trust in being granted access to classified and otherwise sensitive information as part of the JTTF, to be bound by prepublication review to protect against the unauthorized disclosure of such information.
- C. The participation of other federal, state, local, and tribal partners on the JTTF is critical to the long-term success of the endeavor. Articulating the level of effort for these partnerships is a key measure of the JTTF's performance. Accordingly, all task force members will be required to record their workload in the Time Utilization Recordkeeping (TURK) system used by the FBI.

X. COORDINATION

- A. The Participating Agency agrees to not knowingly act unilaterally on any matter affecting the JTTF without first coordinating with the FBI. The parties agree that matters designated to be handled by the JTTF shall not knowingly be subject to non-JTTF or non-FBI intelligence, law enforcement, or operational efforts by the Participating Agency. Intelligence, law enforcement, and operational actions will be coordinated and cooperatively carried out within the JTTFs.
- B. JTTF criminal investigative procedures will conform to the requirements for federal prosecution. It is expected that the appropriate United States Attorney, in consultation with the FBI and affected JTTF partners, will determine on a case-by-case basis whether the prosecution of cases will be at the federal or state level, based upon which would better advance the interests of justice.

subsequent rules, regulations, and laws that may address this topic or that may amend, or modify any of the above provisions. This MOU shall not be construed to authorize any additional or greater authority (than already described) for Department of Defense components to act in the support of law enforcement activities.

XX. MEDIA

All media releases will be mutually agreed upon and jointly handled by the member Participating Agencies of the appropriate JTTF. Press releases will conform to DOJ Guidelines regarding press releases. No press release will be issued without prior FBI approval.

XXI. LIABILITY

The Participating Agency acknowledges that financial and civil liability, if any and in accordance with applicable law, for the acts and omissions of each employee detailed to the JTTF remains vested with his or her employing agency. However, the Department of Justice (DOJ) may, in its discretion, determine on a case-by-case basis that an individual should be afforded legal representation, legal defense, or indemnification of a civil judgment, pursuant to federal law and DOJ policy and regulations.

A. COMMON LAW TORT CLAIMS

1. Congress has provided that the exclusive remedy for the negligent or wrongful act or omission of an employee of the U.S. Government, acting within the scope of his or her employment, shall be an action against the United States under the FTCA, 28 U.S.C. § 1346(b), and §§ 2671 - 2680.
2. Notwithstanding the provisions contained in Article XIII of this MOU, for the limited purpose of defending civil claims arising out of JTTF activity, a state, local, or tribal law enforcement officer who has been federally deputized and who is acting within the course and scope of his or her official duties and assignments pursuant to this MOU may be considered an "employee" of the U.S. government, as defined at 28 U.S.C. § 2671. See 5 U.S.C. § 3374(c)(2).
3. Under the Federal Employee Liability Reform and Tort Compensation Act of 1998 (commonly known as the Westfall Act), 28 U.S.C. § 2679(b)(1), if an employee of the United States is named as a defendant in a civil action, the Attorney General or his or her designee may certify that the defendant acted

FOR OFFICIAL USE ONLY

within the scope of his or her employment at the time of the incident giving rise to the suit. 28 U.S.C. § 2679(d)(2). The United States can then be substituted for the employee as the sole defendant with respect to any tort claims alleged in the action. 28 U.S.C. § 2679(d)(2). If the United States is substituted as defendant, the individual employee is thereby protected from suit on any tort claim arising out of the incident.

4. If the Attorney General declines to certify that an employee was acting within the scope of employment, “the employee may at any time before trial petition the court to find and certify that the employee was acting within the scope of his office or employment.” 28 U.S.C. § 2679(d)(3).
5. Liability for any negligent or willful acts of JTTF members undertaken outside the terms of this MOU will be the sole responsibility of the respective employee and agency involved.

B. CONSTITUTIONAL CLAIMS

1. Liability for violations of federal constitutional law may rest with the individual federal agent or officer pursuant to Bivens v. Six Unknown Names Agents of the Federal Bureau of Narcotics, 403 U.S. 388 (1971) or pursuant to 42 U.S.C. § 1983 for state officers.
2. Federal, state, local, and tribal officers enjoy qualified immunity from suit for constitutional torts, “insofar as their conduct does not violate clearly established statutory or constitutional rights of which a reasonable person would have known.” Harlow v. Fitzgerald, 457 U.S. 800 (1982).
3. If a Participating Agency JTTF officer is named as a defendant in his or her individual capacity in a civil action alleging constitutional damages as a result of conduct taken within the course of the JTTF, the officer may request representation by DOJ. 28 C.F.R. §§ 50.15, 50.16.
4. An employee may be provided representation “when the actions for which representation is requested reasonably appears to have been performed within the scope of the employee’s employment, and the Attorney General, or his or

FOR OFFICIAL USE ONLY

FOR OFFICIAL USE ONLY

her designee, determines that providing representation would otherwise be in the interest of the United States.” 28 C.F.R. § 50.15(a).

5. A JTTF member’s written request for representation should be directed to the Attorney General and provided to the Chief Division Counsel (CDC) of the FBI division coordinating the JTTF. The CDC will forward the representation request to the FBI’s Office of the General Counsel (OGC), together with a letterhead memorandum concerning the factual basis of the lawsuit. FBI’s OGC will then forward the request to the Civil Division of DOJ, together with an agency recommendation concerning scope of employment and DOJ representation. 28 C.F.R. § 50.15(a)(3).
6. If a JTTF member is found to be liable for a constitutional tort, he or she may request indemnification from DOJ to satisfy an adverse judgement rendered against the employee in his or her individual capacity. 28 C.F.R. § 50.15(c)(4). The criteria for payment are substantially similar to those used to determine whether a federal employee is entitled to DOJ representation under 28 C.F.R. § 50.15(a).
7. Determinations concerning legal representation and indemnification by the United States are discretionary and are made by DOJ on a case-by-case basis. The FBI cannot guarantee that the United States will provide legal representation, legal defense, or indemnification to any federal or state employee detailed to the JTTF, and nothing in this Article shall be deemed to create any legal right on the part of any JTTF personnel.

C. EXPRESS RESERVATIONS

1. Nothing in this Article shall be deemed to create an employment relationship between the FBI or the United States and any Participating Agency JTTF member other than for exclusive purposes of the FTCA, as outlined herein.
2. The participating agencies do not waive any available defenses and/or limitations on liability. No Participating Agency shall be considered to be an agent of any other Participating Agency.

FOR OFFICIAL USE ONLY

XXII. DURATION

- A. The term of the MOU shall be an indefinite period. The MOU may be terminated at will by any party, provided written notice is provided to the other parties of not less than sixty (60) days. Upon termination of the MOU, all equipment will be returned to the supplying agency(ies). It is understood that the termination of this agreement by any one of the Participating Agencies will have no effect on the agreement between the FBI and all other participating agencies.

- B. Notwithstanding this provision, the provisions of Paragraph IX, entitled RECORDS, REPORTS AND INFORMATION SHARING, and Paragraph XXI, entitled LIABILITY, will continue until all potential liabilities have lapsed. Similarly, the inherent disclaimer limitation contained in the EXPRESS RESERVATION provision will survive any termination.

XXIII. AMENDMENTS

This agreement in no manner affects any existing MOUs or agreements with the FBI or any other agency. This agreement may be amended only by mutual written consent of the parties. The modifications shall have no force and effect unless such modifications are reduced to writing and signed by an authorized representative of the FBI and the Participating Agency.
