[Announcer]: JoAnne Kloppenburg says she has court room experience, but Kloppenburg

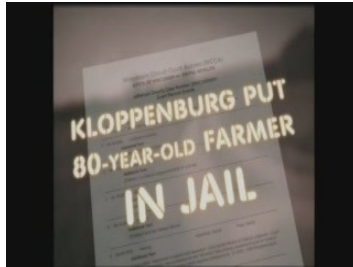

has never been a judge. She's a government lawyer with a record of

suing farmers and employers. Kloppenburg is so extreme she even

put an 80 year old farmer in jail for refusing to plant native vegetation

on his farm. Maybe that's why President Obama and Governors from both political parties

would not appoint her to a Judgeship.

Tell Kloppenburg to fight crime, not our farmers and employers.
