[Announcer]: A priest sexually abuses children for 30 years across Wisconsin.

A mother tells DA David Prosser her two young sons were sexually assaulted.

What does Prosser do? Prosser refuses to prosecute,

doesn't even ask the police to investigate.

Instead, Prosser meets with the bishop to avoid scandal.

They send the priest to another community, and the assaults continue.

Tell David Prosser, Judges should protect our children, not sex offender.
