[Announcer]: Can we trust David Prosser to be impartial?

In the legislature, Prosser and Walker voted the same way 95 percent of the time,

both voting against the middle class. As a judge,

Prosser has sided with corporations and against workers.

Now, Prosser has promised to act as a compliment to Walker,

because his views closely mirror Walkers.

Tell David Prosser judges should be independent, not a rubber stamp for Scott Walker.
