[Ralph Cagle]: "JoAnne Kloppenburg is a very tough minded prosecutor.

She understands the legal system, she understands what public protection is.

I think she would do an extraordinary job as a Supreme Court Justice."

[Marge Kindig]: "She doesn't compromise her ideals, she's not beholden to any special interests,

she's not going to be taking any special interests money in this

campaign, and she works to do justice."

[JoAnne Kloppenburg]: "Hello I'm JoAnne Kloppenburg and I'd be honored to earn your vote on February 15th."
