[Announcer]: As a former prosecutor, Supreme Court justice

David Prosser understands the tough job facing our brave men and women

in law enforcement. During his twelve years

on the Wisconsin Supreme Court, David Prosser has helped strengthen the hand of law enforcement

and helped keep dangerous criminals behind bars

where they belong. That's why Wisconsin sheriffs and district attorneys consider David Prosser

their ally on the war on crime. For more information visit the Wisconsin Civil Justice Council.
