[Jo Hart]: I'm Judge Jo Hart. Before you cast your ballot for the Supreme Court,

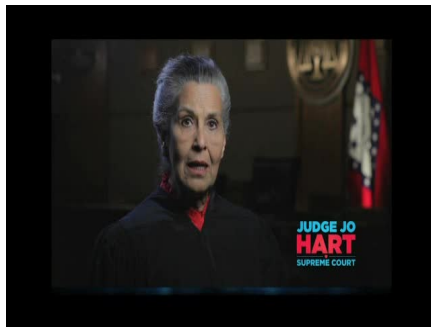

you deserve to know something about me. I've handled over

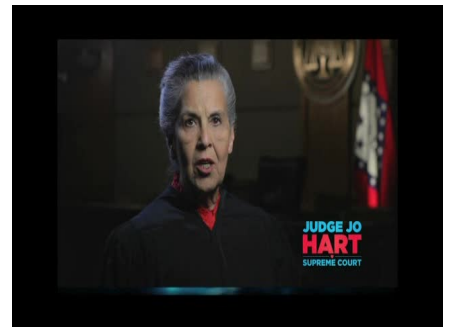

three thousand appeals. My husband of twenty eight years

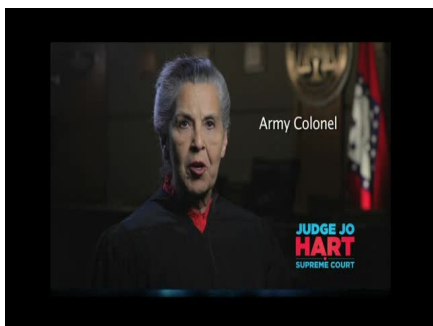

is still my best friend. I believe that everyone owes

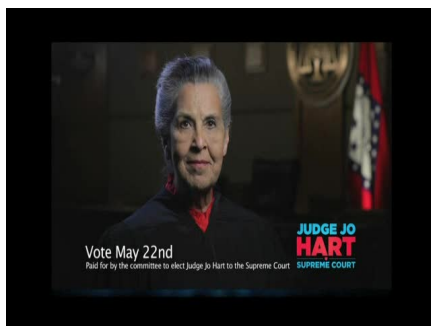

an obligation to serve their country. You would expect that of me,

I retired as a full-bird Colonel from the Army JAG Corps.

I'm a no-nonsense Judge, and I'm asking that you vote for me.
