[Danielson]: "In addition to my 28 years of judicial and legal experience, I've been tree farming

for over 20 years. And I've found it takes a lot of dedication,

experience, and patience to make sure the right

seeds are planted and grow into a forest. You know,

being a good steward of the land is important and reflects on all parts of life,

and I believe it does in mine. Judge Paul Danielson

for Arkansas Supreme Court, Associate Justice, Position 4." [PFB: Danielson for Supreme Court]
