[Announcer]: Why won't Gordon Maag tell the whole truth? First, the Shriners forced him to pull a

misleading ad. And Maag's new ad distorts Lloyd Karmeier's good record on

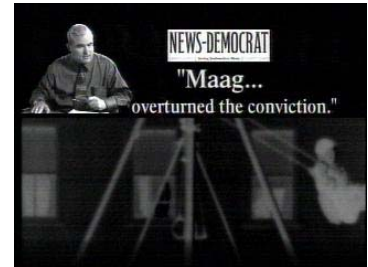

crime. The truth is Lloyd Karmeier sentenced a child molester

to prison twice. But an Appellate Court overruled Karmeier and threw out the prison term.

Maag- he voted to overturn the jury conviction of a man who

sexually assaulted a six year-old girl. And now he's accused of

violating the state's ethics laws. No wonder Maag distorts the truth.
