[Stumbo]: My Dad retired from the Appalachian Regional Hospital

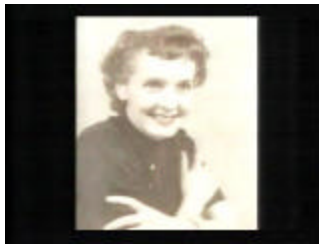

and he started out in the boiler room. He learned

the skill in the boiler room of a battleship.

My Mom died, she had a heart attack. She was just gone.

She was a wonderful, wonderful mother and a

wonderful woman. I think about her every day.

This is who I am, this is what made me who I am.

[Announcer]: Re-elect Justice Janet Stumbo.

[PFB]: Modest Donations to Stumbo for Supreme Court.
