[Announcer]: Justice Jeff Victory is the conservative conscience of our

Supreme Court. His tough stands on crime have earned him the universal support

of law enforcement and prosecutors. Now, his opponent is trying to smear Judge

Victory. Stephen Beasley's campaign is financed with money from criminal

defense attorneys and south Louisiana trial attorneys. Beasley has already

been fined \$2600 dollars for campaign ethics violations. Don't let them succeed.

Don't let them take our judge away. [PFB]: The Victory Campaign
