[Carlson]: "...first down and goal on the Wildcats' 8 yard

line." [Announcer]: George Carlson loves doing play-by-play

commentary for South Penola High football. It's a nice diversion

from his day job... [Carlson]: "Touchdown: South Penola!" [Announcer]: "...as

a Mississippi Supreme Court Justice. [Carlson]: "I enjoy high school football

because the players are in there for the love of the game.

You get coaches out there teaching with no more than a blocking sled.
