[Announcer]: Samac Richardson is a former prosecutor and County Judge.

Twice appointed by former Governor Kurt Fordyce, Judge Richardson is known for

his courage, commitment, and sense of Christian compassion. As Senior

Circuit Judge in Madison and Rankin Counties, he's presided over some

of the most significant cases in Mississippi history. At a time when our

civil liberties and traditional values are under attack, we need

Samac Richardson on the State Supreme Court. He's one of us.
