[Graves]: "I love my daddy. Without him I'm wouldn't be a Supreme Court Justice today."

Break the rules, and daddy made you pay. My dad and I were talking just the other day about

Bill Cosby and what he said about parental responsibility.

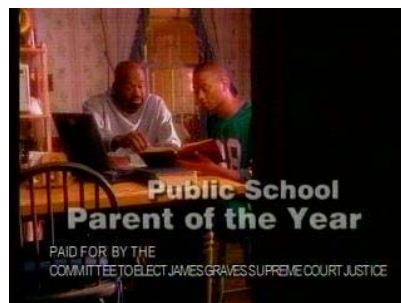

And my dad looked right and me, and he said "son, he's just speaking the same

truth that I taught you, and that you taught your son."

[Announcer]: Isn't it easy to see why Judge Graves was named Public School Parent of the year.

It's about our values.

[PFB]: Committee to Elect James Graves.
