[Graves]: "Bill Cosby spoke some hard truths about the need for a good education and the need

to speak proper English. He challenged men to take responsibility

for their children. Bill Cosby is dead right, and

I'm a Supreme Court Justice today because my father made sure that I did my

homework and that I obeyed the rules. He said that there was no reason

that a poor boy from Clinton, Mississippi couldn't be successful.

And oh yeah, if you broke daddy's rules, you paid the price." [PFB: Committee to Elect James Graves Supreme Court Justice]
