[Chavez]: "Violent criminals don't belong on our streets. To stop violent crime punishment must be swift

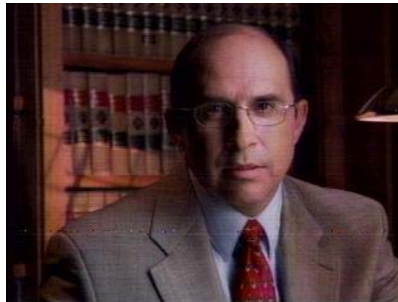

and certain. That's why I wrote the opinion that demanded

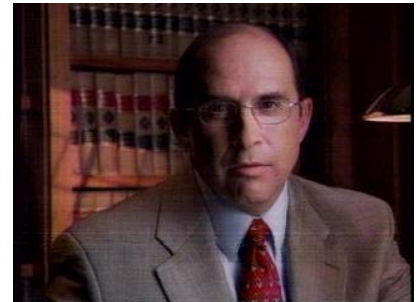

consecutive sentencing for convicts who are repeat offenders,

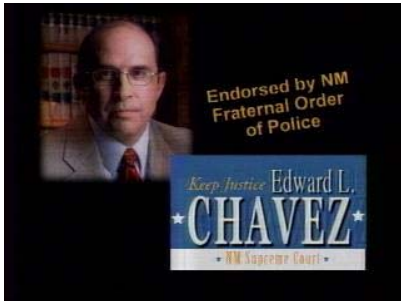

and put a stop to murderers getting out early for good behavior. Victims

and their families deserve justice. With these opinions they'll know

that the violent criminals will get the punishment they deserve.

That's the kind of justice I believe in." [Announcer]: Keep Edward L. Chavez. [PFB: People for Justice Edward L. Chavez]
