Dear Ms. Dhillon:

This letter serves as a response to your letter dated August 14, 2025. Following a review of your letter that also included the Wyoming Attorney General's Office, we are satisfying this request via the Justice Enterprise File Sharing ("JEFS") System. Upon review of the provisions cited in your letter, and discussion of the applicable provisions of the Civil Rights Act with the Wyoming Attorney General, we agree that disclosure of the requested records is proper under the Civil Rights Act.

With your assurances that the federal privacy protections, including the application of Section 304 of the Civil Rights Act, apply to these records, we anticipate that the Department of Justice will maintain the confidentiality of these records in accordance with Wyoming law.

As noted in our first letter, Wyoming continues to make great strides to improve statutes, policies, and procedures to ensure compliance with HAVA. We will strive to continue these efforts throughout the remainder of my term as Secretary of State. Should you have any questions or concerns, please don't hesitate to contact me.

Sincerely,

A handwritten signature in blue ink that reads "Chuck Gray". The signature is fluid and cursive.
