Original Narrative:

Created: 08/25/2019 03:58:39 By: BUTLER, SHAWN (102672)

About 11:00 PM on Saturday, August 24, 2019, Officers Bernazzani, Butler, and Conley assigned to the VK05 under the direct supervision of the VK901 (Sgt. Byrne) along with members of the VK16 (Ramos/Layden) and VK02 (Holt/Holmes /Lyons) were on directed patrol in the Beech St. Housing Development after information was gleaned from an active and on going firearm investigation. Officers were aware of a group of individuals congregating within the development and officers believed that one of the individuals, who was wearing a gray Nike SB hooded sweatshirt, later identified as [REDACTED] may be in possession of a firearm. As a result of this investigation officers placed [REDACTED] and [REDACTED] under arrest for firearm violations and recovered 3 firearms from the area.

As officers entered the development from Washington St. the VK16 turned onto Unity Way as the VK05/VK901 and VK02 turned onto Beechland Circle, their attention was immediately drawn to a group of cars/people who were congregating near 104 Beechland Cir. As officers exited their cruisers to approach the group members of the VK16 recognized a male wearing a gray Nike SB hooded sweatshirt and dark sweatpants identified as [REDACTED] standing near the drivers side of a black Nissan Rogue ([REDACTED]) and upon conducting a pat frisk, immediately felt the presence of a firearm in the front pouch of the hooded sweatshirt. Officers secured [REDACTED] arms as Officer Conley removed the firearm at which point [REDACTED] was placed into handcuffs. The firearm which was a black revolver with a wooden handle, was determined to be a Charter Arms - Undercover .39 Spl. ([REDACTED] - Reported Stolen on 1/2/79 in Seattle, Washington) loaded with 5 rounds of ammunition. Officer Ramos demanded [REDACTED] License to Carry which was met with no verbal response and a blank stare. Officer Ramos also read [REDACTED]s his Miranda Rights. Officers then began to conduct pat frisks of the other individuals in the direct vicinity of [REDACTED] when their attention was drawn to a white Dodge Durango ([REDACTED] parked facing the Nissan which [REDACTED] had been next to. The Durango was occupied by two males, both were seated in the front seats. Officers observed the driver (James Haygood) to be physically upset/nervous while uttering 'don't do this to me' and the passenger was identified as James Hemingway. Officers believed that one of the individuals in the vehicle may have been concealing a weapon and removed both the driver Haygood and the passenger Hemingway from the vehicle at which point Officer Holt looked under the passenger seat and observed a firearm in plain view. Officer Holt informed the officers of his discovery and both Haygood and Hemingway were placed into handcuffs. Sgt Byrne read both Haygood and Hemingway their Miranda Rights and demanded each of their license to carry, and both parties denied having one, Mr. Haygood stated he did not have a firearm, at which point James Hemingway stated to Sgt. Byrne 'I had the firearm', Referring to the firearm located under the seat where Hemingway had been seated. That firearm which was a black

Based on information gleaned from an active gang and firearm investigation, officers became aware that Bailey Street gang associate [REDACTED] was in possession of a Glock style firearm with an extended magazine. Officers are familiar with [REDACTED] as being a gang associate with two prior firearm convictions: making him incapable of obtaining a License to Carry in the Commonwealth of Massachusetts. Officers were also aware that large capacity

magazines ("extendos") are prohibited in the Commonwealth of Massachusetts because they hold greater than ten rounds of ammunition. Members of the Youth Violence Strike Force began to coordinate in attempt to locate [REDACTED] and frisk him for weapons.

Officers began to converge in the areas where Bailey Street associates congregate in an attempt to identify [REDACTED] location. Officers of the Y.V.S.F. were in plain clothes and operating black Ford Explorer police cruisers, equipped with emergency lights in the front grill and antennas on top of the car. Several officers were wearing outer carrier ballistic vests marked "Boston Police," "State Police," and "Gang Unit". Officers Holt, Sheehan, Cahill and Stallings (VK03) traveled on Evans Street, turning right on Dyer Street (at approximately 47 Evans Street) when they observed the target of their investigation, [REDACTED], standing in the driveway of 47 Evans St. This driveway is accessible via Dyer Street, a small cut through which also intersects with Capen Street. Detective Higgins (VK808), who was operating a Boston Police "soft car" (vehicle lacking emergency equipment of insignia), drove down Dyer Street and also confirmed Beasley's presence in the back driveway of 47 Evans Street. Detective Higgins was also able to confirm the presence of four additional people congregating in the rear of 47 Evans. Officers decided to surround the residents from both Dyer and Evans Street(s): Officers M. Conley, Bernazzani, Butler (VK05) and Sgt. Byrne (VK901) and Officers Muhammed, Degrave, Trps Caccamo and Hazelton (VK06) approaching from the Dyer Street side. Officers Holt, Sheehan, Cahill and Stallings (VK03), Officers Layden, Ramos, Stevens, and Tpr Alldredge (VK16) and Sgt. Jones would approach the rear of 47 Evans Street from Evans Street.

Prior to arriving on scene, Officers were cognizant that the area of Evans Street that they were approaching has been plagued with firearm violence for years. Officers have responded to dozens of incidents of shots fired within that corridor of Evans Street. On 02/04/21, a man was shot to death while sitting inside his car at the intersection of Evans and Capen Streets. Thetford Ave gang associate Messiah Pledger succumbed to his injuries from a shooting in the area of 7 Dyer Street on 12/27/18. A makeshift memorial of candles and graffiti was the target of multiple incidents of vandalism; presumably from Pledger's gang rival. These incidents of violence, albeit not directly related, heightened officers awareness; especially considering the target of their investigation was a well known gang associate with prior firearm convictions. Officers were additionally aware of the 07/10/21 homicide of [REDACTED]; a close friend of [REDACTED]. Although a Johnston Rd gang associate was charged with that murder, officers believed possible retaliation against Johnston Rd associates from [REDACTED] and fellow Bailey associates increased the possibility of additional firearms being present within groups of Bailey Street associates.

Officers exited their cruisers in plain clothes, many with ballistic carrier vests marked "Boston Police" and body cameras activated. Officers approached the group of approximately ten people on foot and immediately recognized several, including [REDACTED], Thetford associates [REDACTED]. Members of the Y.V.S.F. were very familiar with these men and their proclivity to possess illegal firearms. Officers Conley, Bernazzani, and Butler arrested [REDACTED] with a firearm on 03/16/18 (i# [REDACTED]). Officers Ramos, Stevens, Muhammad and Trps Alldredge, Caccamo also arrested [REDACTED] with a firearm on 09/17/20 [REDACTED]). This matter is still open. Officers were also familiar with a 04/26/21 arrest of [REDACTED] in-which they were charged with discharging a firearm. The address they entered after the shooting was frozen and a search warrant was executed, resulting in the recovery of two illegal firearms. This matter is still open. Officer Holt and Sheehan was also familiar with [REDACTED] Mells from a 07/20/19 firearm arrest (i192055866). This matter is also open. Due to the extensive firearm history of members of this group, coupled with their information pertaining to [REDACTED] illegal firearm possession within the hour of their stop, officers converged on the group and began to conduct pat frisks of their persons.

Officers immediately directed their attention to the target of their investigation, [REDACTED]. Troopers Caccamo and Hazelton approached [REDACTED] and attempted to put his hands behind his back to frisk him. Beasley turned away and was brought to the ground by both troopers [REDACTED] was placed in handcuffs and frisked for weapons to no avail.

[REDACTED] and a male later identified as [REDACTED] were frisked and placed in handcuffs in order to safely control this group and frisk both them and occupied vehicles that were accompanying them. Officer Muhammad observed a black male sitting in the passenger seat of a black Toyota Corolla (MA Reg: [REDACTED]). Officer Muhammad observed this male, later identified as [REDACTED] 03), to be stiff and refused to make eye contact. Officer Muhammad removed [REDACTED] from the vehicle and placed him in handcuffs for officer safety. Officer Muhammad asked the unknown black male if he had any weapons, to which he did not reply. Officer Muhammad conducted a pat frisk of the front waist of this male and immediately felt what he knew to be a firearm. Officer Muhammad informed Officers Stallings and Degrave, who assisted in controlling [REDACTED]. Officer Stallings retrieved the firearm from [REDACTED]. Officer Muhammad read [REDACTED] his rights, to which he said he did not understand.

Detective Higgins (VK808) and Detective Ball (VK810) responded to the scene. Detective Ball took custody of the firearm and processed it. The firearm was determined to be a gray Glock .40 Model 22 Gen 4 (Serial #BATU059) equipped with a black high capacity feeding device (Capable of holding 22 rounds of ammunition). 22 total rounds of ammunition were retrieved from the firearm, including a R-P .40 S&W round from the chamber, as well as 16 rounds of R-P .40 S&W and 5 Win .40 S&W. Detective Ball photographed the scene. Sgt. Jones recovered seven bags of marijuana on a rear staircase of 47 Evans Street. Drugs were logged into B-3 Drug Book (03-0001), Page 095, and placed in the B-3 Drug safe. Officer Pero (TE514) responded to the area with his K-9 partner to conduct a search of the area for additional weapons to no avail. Several units from B-3 responded and assisted by transporting [REDACTED]. Once all the parties were frisked, including additional cars on-scene (black Toyota Corolla, [REDACTED], Gray VW Jetta MA [REDACTED]), the group was uncuffed and officers dispersed.

Due to the specific information pertaining to [REDACTED]s possession of a Glock firearm with an extended magazine, coupled with his presence feet from where it was recovered, he was also placed in custody for firearm related charges. ADA Caitlin Fitzgerald notified.
