We (CRU) have reserved the HRD conference room for Friday, October 16, 2015, from 1:00p.m. to 5:00p.m. to give the CVE and portal presentation to the national advocacy groups representing the Arab Muslim, and Sikh community. We are in the process of receiving the names, e-mail addresses, and their respective organizations from of DOJ. We hope to have them today (morning), then, if necessary, pare down the list. Does this date work for everyone and if so the following needs to be accomplished:
1 - CVE to mail out the invitations to the identified individuals per CRU's list (as not to reinvent things, the e-mail should be relatively consistent with the one CVE previously sent out to the group which came to HQ in July). Please provide a CVE POC to which the list can be forwarded to.

2 - Although the HRD conference room has been booked from 1p.m. to -5p.m., I leave it to your discretion as to the specific start/end time and length of the meeting.

3 - CRU personnel will assist CVE in escort responsibilities on the day of the meeting.

☐ are you available around 1or 2 p.m. this afternoon to discuss?

Thanks,

Dear Respected Colleagues,

I pray this message reaches you in the best of health and happiness. I wanted to thank you for inviting me to this wonderful event. I must express my regret for my inability to attend, as Friday afternoons are the holiest day of the week for Muslims. As such, I am obligated to perform services on Friday at the mosque and will be unable to excuse myself from my pastoral duties.

I wish you all the best, and I hope that next time I will be available for such a wonderful discussion.

Our staff unfortunately missed this meeting a few weeks ago. Would it be possible to get a short briefing over the phone regarding the presentation and any subsequent updates or announcement regarding CVE programs? We're a national organization, but our office is located in the Bay Area.

Hi,

Our staff unfortunately missed this meeting a few weeks ago. Would it be possible to get a short briefing over the phone regarding the presentation and any subsequent updates or announcement regarding CVE programs? We're a national organization, but our office is located in the Bay Area.

Thanks for considering. I look forward to hearing from you.

Best,

Good Morning,

Just a quick update, and my apologies, I do have to clarify the concept of this event as new information has been brought to my attention. Communication and constructive feedback is always welcome, but this is going to be more of a briefing, rather than a focus group.

We look forward to seeing you October 16th.

Personnel will be traveling to FBI Headquarters to form focus groups addressing mission essential needs of the Countering Violent Extremism Program to include prevention and intervention models and alternate pathways from the use of violence motivated by ideology.

Event will take place in July 2015 in Washington DC. There will be approximately 30 people in attendance.
Good Morning,

CVE Section and OPA is in the process of finalizing a number of options for a field office to consider when addressing CT related violent extremism in the community:

The above efforts will engage members of your community.

We're asking each of you to consider selecting a member of your community who could provide constructive feedback on this endeavor. They would review the MOU and the above products and provide input.

That community member would travel to Washington, D.C. for a focus group on July 31st. You are encouraged, but not required, to attend as their sponsor. Your expenses will also be covered with a TR#. When considering who to send from your office, it is recommended an SSA or ASAC assigned to CT issues be sent. The MOU is operational in nature and is being coordinated with CTD. Please
submit your nominations, with full name, physical address and/or email address, and phone number, NLT 24 July. EC to follow.

Thank you!

Hi,

Thanks, I've moved onward and upward..lol

Could you possibly hit them up on their blackberry for me to just give them a heads up? I know they will have an avalanche of other items to conquer when they return and with this short turn-around time, we could use even the slightest time advantage here.

Thanks and great to work with you again!

Hey, Hope you are doing well. Looks like you left INSD. I will let handle this one when she returns on Monday because my other IT supervisor is on AL, so I am not sure whether he may have been working on providing someone. With both of them out I do not want to assume anything before I speak with them.

Take care.

You might want to clarify that new information to the field. I took from the email that whoever the field chose would attend. You are now saying HQ will select 10 people from those submitted. We are now suppose to ask people to clear 7/31 and wait to hear if they are “selected”. That message may not sit well with community leaders.

We have a call into two leaders. Will let you know.

Yes, please feel free to nominate as many people, from as a diverse selection as you can. Once all nominations are submitted, a final selection of ten attendees in total will be made. OPA will send the formal invitations at that point.

Ok- I will work on it today. It is a Friday so that is typically a Muslim prayer day. I am looking for an alternate group to ask a representative to attend. It is a full day, so may be tough. I will let you know

Thank you

This is an all day event. Starting at 8:30 a.m. and ending hopefully at 4pm, but maybe 5pm. So for now, please let them know...8:30 a.m. to 5:00 p.m. Which means they should strive to get here around 8:00 a.m.

TRANSPORATORY RECORD

I know there is an EC to follow but before I want to engage in a conversation with a community leader to attend this event on 7/31 would be the time factor. I am sure you know many of them are extremely busy, have other jobs, and responsibilities. I don’t want to ask them to clear the entire day, so if you know the time, please provide it and I will work on an attendee tomorrow.

Thanks,

Good Morning,

CVE Section and OPA is in the process of finalizing a number of options for a field office to consider when addressing CT related violent extremism in the community:

The above efforts will engage members of your community.

We’re asking each of you to consider selecting a member of your community who could provide constructive feedback on this endeavor. They would review the MOU and the above products and provide input.

That community member would travel to Washington, D.C. for a focus group on July 31st. You are encouraged, but not required, to attend as their sponsor. Your expenses will also be covered with a TR#. When considering who to send from your office, it is recommended an SSA or ASAC assigned to CT issues be sent. The MOU is operational in nature and is being coordinated with CTD. Please submit your nominations, with full name, physical address and/or email address, and phone number, NLT 24 July. EC to follow.

Thank you!

I could authorize your Friday night, but according to finance regulations as I know them, I cannot authorize Saturday night. If you contact the proper finance folks and see if I'm mistaken. Let me know.
The Sunday stay should be attributed to your NY TR number.

Hope this helps

Thanks

I am traveling from Little Rock on Thursday for the Friday meeting. I have to be in NYC on Monday. I was hoping that you would authorize me to stay in DC Saturday and Sunday so I can head to NYC on Monday. If not I will have to fly all the way back to Little Rock on Saturday then turn around and fly to NYC on Monday. The expense for the two days in DC
should be offset because I will not require a return flight to Little Rock on Saturday and my NYC conference will cover my flight home.

We are paying for the nominee’s travel expenses: flight to Reagan National Airport, hotel in DC, cab to/from the Reagan National Airport/hotel, food per diem – all according to GSA rates.
You will need to help your nominee with making their travel arrangements.

I am traveling from Little Rock on Thursday for the Friday meeting. I have to be in NYC on Monday. I was hoping that you would authorize me to stay in DC Saturday and Sunday so I can head to NYC on Monday. If not I will have to fly all the way back to Little Rock on Saturday then turn around and fly to NYC on Monday. The expense for the two days in DC should be offset because I will not require a return flight to Little Rock on Saturday and my NYC conference will cover my flight home.

TRANSITORY RECORD

Good Morning,

CVE Section and OPA is in the process of finalizing a number of options for a field office to consider when addressing CT related violent extremism in the community:
The above efforts will engage members of your community.

We’re asking each of you to consider selecting a member of your community who could provide constructive feedback on this endeavor. They would review the MOU and the above products and provide input.

That community member would travel to Washington, D.C. for a focus group on July 31st. You are encouraged, but not required, to attend as their sponsor. Your expenses will also be covered with a TR#. When considering who to send from your office, it is recommended an SSA or ASAC assigned to CT issues be sent. The MOU is operational in nature and is being coordinated with CTD. Please submit your nominations, with full name, physical address and/or email address, and phone number, NLT 24 July. EC to follow.

Thank you!

You would have to make their arrangements for them at the government rate...using the TR#. We are paying for them.

Because the community leader is not entitled to government rate, what hotel rate will you accept? Or is a block of rooms being held?

When you make the hotel reservation, let them know the circumstances and make sure they note it.....maybe even talk with their manager after the reservation?

In any event, the community member is only going to be reimbursed/paid at the government rate. If the worst case scenario presents itself, the community member would have to pay the difference themselves.

I will now be attending as well, although since I will be there anyways for the Tuesday through Thursday and Friday was the travel day back, I will not be using your TR# for myself, just for our community members. Finally, my SAC just advised that we may invite a second community member today so there may be two coming from Detroit instead of just 1.

I guess I will see you next Friday morning, thanks.

Our nominee has tremendous entre into our community.

Thank you

Also let me know who from the community you are bringing...it can be a religious representative, a mental health industry representative (counselor, social worker, et..) or another advocacy group from a totally different culture. For instance, we have someone coming from an Asian American group. Hope these ideas help you with your choices for selection.

Hello

Thank you for the updates below. Will do.

We are having a community focus group on Friday July 31, here at HQ. We are asking for LA to nominate a community member (religious, cultural, mental health, or human services, etc...) to review a product or two of ours and give us their comments.

Here is the EC that went out Monday detailing this.

Thanks

I can see if the print shop can make the cards for you tomorrow, the person who would make them is gone for the day.

Before I send the list down, I need their titles -- didn't see that on the spreadsheet. Am I missing a section for the title?

Thank you so much for all your help. Good luck with all of it...I worked in Inspection Div. for the last 9 years and was the MAPA who coordinated them that were assigned to me. So I fully know how it goes!

Hi
Sorry for the late email. I have been acting ASAC for the past week and we have RFI s for inspection due on Friday. The A/ASAC will be returning to the office on Thursday. With the inspection preparation and the addition of CT operations on Thursday and Friday, I will not be able to attend to the CVE Community Focus Group meeting. I have contacted [Redacted] and let him know. He is comfortable with attending the meeting alone and is looking forward to participating. Please let me know if you need anything else. I apologize again.

Sincerely

Hi

Sorry for the late email. I have been acting ASAC for the past week and we have RFI s for Inspection due on Friday. The A/ASAC will be returning to the office on Thursday. With the inspection preparation and the addition of CT operations on Thursday and Friday, I will not be able to attend the CVE Community Focus Group meeting. I have contacted [redacted] and let him know. He is comfortable with attending the meeting alone and is looking forward to participating. Please let me know if you need anything else. I apologize again.

Sincerely

Good Morning

Yes, that's ok for you to stay and attend.

Two notes of interest:

One:
The room in SIOC is the biggest room available at that time and it only holds 80 people. So after I receive one representative from each field office, then I will go first responded/first reserved on a secondary person. So, you are among the first to respond, so yes, you both can attend.

Two:
Since it is the end of the fiscal year, your TRIP request for this conference MUST be in the system BEFORE September 30, per Finance Division regulations.

Thanks

I, along with my CT SSA will already be back at FBIHQ attending the annual WMD Conference September 28 and 29. Do you mind if we both stay and attend the CVE Conference on September 30, or is it reserved for ASACs only. I would respectfully request we both attend since we are both already at FBIHQ and SSA is the PCOR for the CT Program. The Conference would be beneficial for both of us.

Please let me know.

Field office Counterterrorism Assistant Special Agents in Charge (ASAC), designated POCs and invited SACs will travel to FBI Headquarters for an all day conference. Attendees will be briefed on the Countering Violent Extremism (CVE) program, operational requirements, intelligence efforts, AOR related threats, resources available, and interagency participation.

This is in conjunction with event request number 64195. The date of the conference changed to September 30, 2015, requiring travel on September 29, 2015 and October 1, 2015. This crosses a fiscal year, therefore we need another TR# to claim expenses incurred on the travel date of October 1, 2015. This request is not in addition to the original it is a segment of it because of the break in the fiscal year.
