DS-160 NONIMMIGRANT VISA APPLICATION FORM

U.S. EMBASSY KINGSTON, JAMAICA

A COMPLETE STEP-BY-STEP INSTRUCTIONAL
GUIDE

INTRODUCTION

All nonimmigrant visa applicants must complete the **DS-160 Electronic Visa Application Form** online.

The information that you submit can only be viewed by you and the U.S. Embassy's consular staff.

You must answer every question truthfully. **Errors or omissions could lead to the denial of your visa application.**

This guide will help you complete the DS-160 form. Some applicants may be required to answer additional questions not presented in this guide because of their purpose of travel or other personal circumstances.

BEFORE YOU BEGIN

Before you begin completing the DS-160, gather the following items:

- Passport and planned itinerary;
- Employment history;
- Digital photograph;
- Contact information;
- Travel history.

Make sure your photograph meets the following requirements:

- Less than six months old
- 2 inches by 2 inches (5 by 5 cm)
- Plain, light background
- Full-face view, with the applicant facing the camera directly
- For more detailed guidelines, visit <http://travel.state.gov/visa/guide/guide>.

GETTING STARTED

Access the DS-160 form at <https://ceac/state/gov/genniv/>

Read the instructions carefully and select the country in which you are applying.

The form will take approximately 45 minutes to complete. It will time out after 20 minutes of no activity. **Do not wait until you have completed the entire form to save it.**

If you do not save your data, you will have to restart the process if the form times out or if you experience problems with your Internet connection.

After entering your location, select “Option A” if you are starting a new online application, “Option B” to upload an application that was saved previously or “Option C” to retrieve your saved application.

Select an option from one of the boxes below.

Option A - Start a New Online Application

To start your application, click the button below:

Start a New Application

Option B - Upload a Previously Saved Application Using a File

To continue an application you have already started that is saved on your computer, or to start a new application using data you have already entered and saved on your computer to complete a new application, click the button below:

Upload a Previous Application

Option C - Retrieve Application Using an Application ID

To continue an application you have already started and would like to continue; to view your confirmation page for an application you have completed; to correct an error on a completed application after a consular officer has reopened and unlocked your application; or to start a new application using data you have already entered to complete a new application, click the button below:

Retrieve Application

Next, you will see the screen to the right. Answer the security question, then print and save this sheet. You will need it if you have to retrieve your DS-160 form at a later date. Then, click “Continue.”

Application Information

Please record your Application ID in a safe and secure place.

If there are technical issues with the system, or you want to complete your application some other time, you can save your work and later, start where you left off. In order to access your application later, however, you will need: (1) your Application ID, and (2) the answer to the security question that you will choose on this page.

Your Application ID is:
AA0025PRUP

Date
23-FEB-2012

[Print Application ID](#)

To choose a security question, pick the one you like the best from the dropdown list, type your answer to that question in the box below, and click “Continue.” Remember: In order to access your application later, you will need to know the answer **exactly as you wrote it on this page**.

You can also use your Application ID and security question to retrieve your Confirmation Page after you have submitted your application, or to use your previously provided application information to complete a new application at a later date.

Electronically submitting your DS-160 online application is only the first step in the visa application process. Once you have electronically submitted your DS-160 online application, you must contact the embassy or consulate at which you wish to apply to confirm whether you need to be interviewed by a consular officer, and to schedule an interview. You can find a list of U.S. embassies and consulates [here](#), with links to their websites where you can find information about scheduling a visa interview appointment. If the embassy or consulate at which you apply informs that you must have a visa interview, the visa application process cannot be completed until you appear for an interview with a consular officer.

Family and Group Option:

On the “Thank You” page you will see an option to create a family or group application.

When you select this option, certain information from your application will automatically be imported to and displayed on a new application.

You will still need to create an application for each family member traveling with you or for each individual within the group.

Other Required Documentation for Interviews:

Certain visa categories require additional documentation aside from the DS-160. Standard required supplemental forms include:

- Students (F/M visa): Form I-20 and SEVIS Receipt;
- Exchange Visitors (J visa): DS-2019 and SEVIS Receipt;
- Temporary Workers, Artists, Athletes (H, O or P visas): Form I-797 and other documents related to your employment;
- Blanket L-1 Applicants: Form I-129S;
- Diplomats and Officials (A, G or NATO visas): Diplomatic Note;
- Treaty Trader/Treaty Investor (E visa): Form DS-156E;
- Domestic Worker, Employment contracts (B1, A3, G5 visa), crew (C1/D visa), and journalists (I visa): A letter from the employer verifying details of employment, and a letter from the inviting organization in the U.S., if applicable.

Important Reminders:

The DS-160 form is not a visa. In nearly all cases, applicants must appear at the Embassy for a visa interview to complete the application process.

Please arrive 15 minutes before your scheduled interview. If you arrive more than 30 minutes early, you will be asked to wait outside the Embassy. If you arrive more than 15 minutes late, you will not be allowed to enter the Embassy, and you will have to make a new appointment.

For information about the application process, visit <http://kingston.usembassy.gov>.
