Hi Officer Issa,

I actually have one of my team members out in LA this week- she's an Asst Director on our Analytics and Support team (former DOD analyst), would you be open to having her come in person for a live demo? She has Wednesday open and could come by at whatever time is best for you & your unit, just let me know a time and a contact number and I'll link you two up.

Hope to hear from you soon,

Hi Officer Issa,

Are you located at LAPD or the JRIC? If at LAPD, are you looking at acquiring an open source investigative platform for the Cyber Unit or a different unit? Do you need to have others present in order to decide if LAPD might want to move forward with Babel Street? Just trying to gauge how many people might be attending and which unit(s) would be present.

Thanks,
Star
