Good morning Officer Davis,

Thank you very much for your email. I can be a resource for your request.   Please reply with a best date/time for an online briefing for your schedule.

Thank you for your time.

V/r,
David

Subject: RFI from LAPD

Hi,

I'm currently working on a DOJ grant for public safety technologies. This has a tight timeline w/May 1st deadline. Please reach out to me with white papers, use cases, etc. so that I may assemble these for our decision makers. Would also possibly be interested in a WebEx-style demo. Thank you very much for your time.
