Katharina,

Welcome to 2017, the year manual social media investigations come to an end, it's time for a change. Skopenow is a search engine that automates the investigation process by providing comprehensive digital records that include behavior recognition through image and text analysis, subject monitoring, and comprehensive search results.

We'd love to extend a [7-day](#) risk free trial (no limit on user count) to get your feedback on the product, sign up here: skopenow.com/try

Looking forward to connecting,
Rob
