(b)(6);

I was recently named the Team Lead for the new Open Source Project at NSU so I am in the process of finalizing our SOP and Rules of Behavior. After talking to (b)(6); (b)(7)(C) and (b)(6); (b)(7)(C) I know they have worked with you to get most of the heavy lifting complete. I believe the PTA and SMOUT are looking good-to-go but we made some minor tweaks to the ROB based on your suggestions. Would you mind taking a look at our latest version of the ROB? If everything looks good, I can get this blessed off by NSU leadership this week and begin refining our SOP and start training.

Thanks for your help and patience.

Very Respectfully,
