Protesters reportedly arguing over allowing Democratic Socialist of America speaker after protest groups merge at Freedom Plaza in Washington, DC: Margaret Barthel, Reporter Photo via Twitter.

A bit of a disagreement between the two groups as some protesters disagree with allowing a DSA leader to speak. "Let her speak, let her speak!" Underscores the decentralized nature of these protests. We're now back on track.

We've had a protest collision—a protest-lision?—on
Pennsylvania Ave. Another group of protesters was heading
the other direction. The two groups cheered and merged.
Now they're gathering at Freedom Plaza.
