Subject: Twitter Profiles of Interest For the Protests/Riots

For situational awareness I am sending you a couple of Twitter Profiles I came across while searching for videos of the civil disobedience that were taking place in Lafayette Park. The most interesting of the group being DC_oracle @oracle_dc which provides public maps with information on safe zones. The profile bio requests that people “please DM with intel or if you need urgent help.” This profile provides information on law enforcement presence as well as potential egress routes for protesters. The profile was created in June of 2020, currently has 3,585 Followers and has made 874 tweets/retweets. Screenshots attached for your review.
