Social Media Threat tool

Good morning,

I wanted to thank you all for your time and attention last week to see the Thomson Reuters-CLEAR-TIP Social Media Threat Tool. I hope you found the demonstration to be informative and helpful in your roll.

It was great to hear that you found our tool to be more user friendly than our competition. I welcome any further feedback you have and of course I am happy to answer any questions.

We would like to take the next steps in the process to allow you to further experience the TIP tool and see that you benefit from all that TIP has to offer in support of the DC MPD.

Would setting you up with some trial access be the next step? Thanks.
