Lt.,

For your review before dissemination, in case anything needs to be added or changed. I added in the new events and updated the numbers. Whew! What a morning, with no electricity until at little at 6am this morning. Wasn't sure if I was going to be able to write a report on my phone 😊 You may have also received emails from my gmail and hotmail accounts earlier. I didn't want to call you, figuring you've probably been up all hours of the night. Standing by.
