**Metropolitan Police Department  
Homeland Security Bureau  
Joint Strategic and Tactical Analysis Command Center**

**Event Name:** First Amendment Activities

**JOCC Activation Effective Date:** April 20, 2021

**JOCC Activation Effective Time:** 1100 hours

**Daily Situation Summary:**

On Monday, May 25, 2020, George Floyd died in the custody of Minneapolis Police after being stopped for a crime that occurred earlier that day. During the stop of Mr. Floyd, Officer Derek Chauvin knelt on Mr. Floyd's neck for over eight minutes, before Mr. Floyd died. In the following days, protests swept the nation, in which at times, turned into riots. The District of Columbia experienced riots and there have been continued demonstrations since June of 2020.

In the aftermath, Minneapolis Police Department terminated Derek Chauvin and he was subsequently arrested and charged with second-degree murder, third-degree murder, and second-degree manslaughter. On Monday, March 8, 2021, jury selection began with opening statements occurring on Monday, March 29, 2021. The trial is expected to end sometime in the following week.

Due to the high-profile stature of this trial and the potential for civil unrest at the outcome, the Metropolitan Police Department (MPD) will be fully activated. This manual serves as an overview of MPD's activation and response to any demonstration and the goal to ensure demonstrations are conducted safely and to minimize any violence or destruction - if it happens. It should be noted this is a general overview and daily operations may vary based upon the day's intelligence.

On Monday, April 19, 2021, MPD will activate CDU platoons and staff traffic posts in case road closures are needed. MPD will work closely with the United States Park Police (USPP) and other law enforcement agencies to ensure the safety of the public and any potential demonstrators.

The Investigative Services Bureau (ISB), Professional Development Bureau (PDB), and the Internal Affairs Bureau (IAB) will provide personnel for road closures. NSID will support these operations with personnel for Mass Arrest Processing and from the Electronic Surveillance Unit. Further, the Criminal Investigations Division, Internal Affairs Division, and Intelligence Division will activate personnel to assist and the Special Operations Division will be activated to assist with any demonstrations during this timeframe.

The objective of MPD is to assist with the safe execution of any First Amendment demonstration and ensure the safety of the participants, public, and the officers. CDU personnel and SOD members will monitor for any demonstration and/or violent activity and respond accordingly.

Officers are reminded to be vigilant and on the lookout for any suspicious activities, no matter how small, and immediately report it to their official. Officers shall have with them at all times their issued Personal Protective Equipment (PPE), Chem/Bio Equipment, and wear a face-covering while outside of their vehicle or anywhere in the public.

### Event Intelligence/Threat Assessment

Due to the volatile political climate during the past year, the COVID pandemic, and demonstrations resulting from the deaths of individuals during police encounters, there is the potential for demonstrations in the District of Columbia. Within the past year, some of these demonstrations have turned violent with physical injury and destruction to public and private property. In relation to events taking place around the city, members must remain extremely vigilant for suspicious activity. Further, the Intel Division will continue to monitor for any new information.

### Planned Demonstrations for Tuesday, April 20, 2021:

Good Morning All,

Just wanted to check with everyone to see if anyone is tracking any demos for today. I am aware of the BLM demo at 1400 hours to the WH but that is all we have for now.

Thanks,

Subject: (U//LES) May 30 Demonstration Open Source Information

We are still going through the high volume of traffic on social media, but here is what we have so far for today. As an aside these "groups" are showing far more operational security than they have in the past leaving some unknowns in our reporting. Yesterday and early this morning this included violence against videographers and news crews who they believe were trying to record the identity of certain protesters. **As in the past these loosely affiliated, often multi-leadered groups act very spontaneously in a "pack mentality"**. We will continue to monitor all available resources and update information throughout the day.

MAY 30

JUSTICE FOR GEORGE FLOYD! DC CAR CARAVAN (CANCEL THE RENT)

Group will meet at the Rock Creek Tennis Center Parking area at noon and travel through the streets of Washington, DC in a car caravan. Exact route unknown, but group has stated that the last stop will be the MPD First District HQ. This group had a similar demonstration a few weeks ago and was attended by approx.200 people. While no attendance is being released, it is expected that the group will at least meet this prior attendance.

SAY THEIR NAMES PROTEST

Group will meet at the Navy Memorial at 1400 hours. Their stated plan is to march to the Department of Justice however there have been multiple postings that individuals plan to then move onto the White House. While this group has always stated that their protest will be peaceful, over the course of yesterday afternoon into this morning, their tone has changed somewhat to a more confrontational tone (a separate email to this group will document some planning verbiage released by the group). This appears to be the "main" protest being held today in DC. Numbers are difficult to estimate, but we could easily see numbers around 2,500 once groups consolidate. There were MANY postings throughout the night from people who were upset that they "missed" last night's protest. It is highly likely that individuals will travel to downtown DC and join the demonstration. This large group will be made up of individuals with mixed intentions making predictive behavior very difficult.

#### BLM CAR CARAVAN "MOVING PROTEST"

Group will meet at 1600 hours at the Safeway Parking lot at 322 40th Street NE and perform a car caravan throughout DC. Unknown route, unknown number of people attending.

\*\*\* In addition to these demonstrations, there were also multiple individuals posting their disgust with the actions of protesters last night and this morning. There was also nationwide calls for law enforcement to begin to physically disperse protesters and stop the property damage. There is concern that some of these individuals may attempt to take matters into their own hands and lead to an incident such as when James Fields Jr drove his vehicle into a crowd of demonstrators in 2017 in Charlottesville, VA.

We will continue to work with our LE partners and will update information to this group throughout the day. Please call with any specific questions or concerns.

**Subject:** George Floyd Protests

Good Evening All,

I hate to bother you all so late in the night but I wanted to say thank you all for your diligence in sending out information about protests in D.C. regarding the George Floyd in-custody death in Minneapolis. As I'm sure everyone is aware, the violence is escalating rapidly across the U.S. NYC made over 40 arrests today and had multiple NYPD officers injured from these protests, Minneapolis just had a second police precinct overrun and destroyed, and there was a shooting at a Denver protest. That is only a few of the incidents across the country.

Today we had a small group of about 20 protesters start off at Freedom Plaza and march around the city but they were peaceful. The organizer has posted on social media that they will be back again tomorrow afternoon at 1700 hours at 14<sup>th</sup> and U Streets NW. I would appreciate it if everyone could keep checking social media for any pop up demonstrations and send them to this group for everyone's awareness. So far we are tracking the following protests coming up within the next few days, courtesy of USPP Sergeant Varanelli:

FYI...URGENT! See below: Potential Protests/Looting at Target Stores Located in the NCR

Good Morning All,

We just learned a few minutes ago that there is a social media movement calling for protests/looting of Target stores all across the country in response to the in-custody death of George Floyd in Minnesota (Target HQ is based in Minneapolis, MN). I just spoke with the D.C. regional security manager for Target and they are aware of planned protests in Prince George's County and D.C. Additionally, Ben Tyler from VSP just sent a Twitter posting of a potential protest/looting at the Target in Woodbridge, VA. I wanted to get this information out to everyone ASAP so you can notify your patrol districts of these events for their awareness. If anyone does have an incident in their AOR, I would appreciate it if you would email me so I can make sure the group is notified.

Copy. You're still getting a decent amount of social media communication that people are coming to join the protest. Not huge numbers, but more than we normally see.

Hey [REDACTED] That user is also not known to us. First thought is some kind of online instigator from out of the area (although he did post some other DC events on his page). Just looked now and not seeing anything overly concerning. On post saying "we're still mad" and "black lives still matter" but nothing much more than that.

Good Morning Gents,

Anyone tracking anything for this weekend? We are monitoring the following:

- **Justice for Breonna Taylor Vigil and March / Memorial for the Powerful – 03/13/2021**
  - **Time:** 1500 hours for vigil, march begins a 1830 hours
  - **Location:** Black Lives Matter Plaza (march destination unknown)
  - **Organizer:** DC Teens Action / others
  - **Purpose:** Vigil to remember Breonna Taylor and other black women who have been killed

  - **Additional Info:** Various groups/organizations have held past vigils to celebrate the life of Breonna Taylor and others. The main event “Memorial for the Powerful” is being organized by DC Teens Action, a group that has held past vigils without incident. However, there is a post advertising a similar event in the same location at the same time that is calling for a vigil for Breonna Taylor and then a march through the streets of DC. This organizer [REDACTED] not known to MPD and is calling for people to dress in “black bloc”, indicating possible civil disobedience and/or criminal activity.
  
- **A Sunset Vigil for Breonna Taylor – 03/13/2021**
  - **Time:** 1600 to 1900 hours
  - **Location:** Assemble at 14<sup>th</sup> and Constitution Avenue, NW and bike ride to Malcolm X Park
  - **Organizer:** Fueltheppl
  - **Purpose:** Vigil to celebrate the life of Breonna Taylor
  - **Participants:** Unknown
  - **Source:** <https://www.instagram.com/p/CMNKUp7h2Lx/>
  - **Additional Info:** Various groups/organizations have held past vigils to commemorate Breonna Taylor. There is no information to indicate any planned civil disobedience or criminal activity for this event.

Additionally, according to open source information, on March 11, 2021, rioters smashed windows, attempted to force entry, and set fire to the federal courthouse in Portland, Oregon, less than a day after authorities removed the security fencing erected last summer in response to the civil unrest and rioting caused by the death of George Floyd in Minneapolis, MN. According to one reporter, protesters cited the trial of Derek Chauvin and the removal of the fence was the catalyst for this riot to occur.

- Analyst Comment: This information is provided for situational awareness only. **Unsubstantiated Social Media Comments:**

- A Twitter user with 2,179 followers is asking for volunteers to distribute water and personal protective equipment (PPE) at an unspecified demonstration on "next Saturday" (June 20). No further information at this time. This may be referring to one of the June 20 demonstrations listed above.<sup>xvii</sup>
- According to open source information, a group called Mochella will purportedly assemble at Black Lives Matter Plaza to hold a Go-Go event. Attendance unknown. VERY LOW level of concern at this time.<sup>xviii</sup> \*
- A Facebook user created an event called "Luciferian March for a One World Government Washington DC." The event will purportedly take place at the White House on June 21 at 1400 hours. IICD assesses that this event page is a joke and included for situational awareness only. VERY LOW level of concern at this time, there is only a REMOTE chance that this event will take place.<sup>xix</sup>
- IICD and MPD-HSB are tracking a social media group called "2 Million March" which plans to hold a DC-area protest at an undetermined future date. The group has over 129,500 members. No further information available at this time.<sup>xx</sup>

**Analyst Comments**

Organizers publicize their events on social media in order to maximize attendance and participation. While the above protests are purportedly peaceful demonstrations, extremists seeking to commit acts of violence or property destruction may attach themselves to these events. Protesters may also change their location in response to police presence and crowd control measures. Additional spontaneous or unadvertised protests may also occur without warning. Officers should remain vigilant at all times.

**IICD will continue to monitor the situation, identify information gaps, and provide updates as needed.**

To report suspicious activity, USCP personnel should follow established protocols. Suspicious activity reports (SARs) will be forwarded to Investigations Division.

[REDACTED]

Just heard about the Supreme Courts ruling that asylum-seekers have no right to a federal court hearing before being removed from the Unites States. We believe that will be countered with numerous protests in the NCR this weekend. If you hear of anything, please forward me the information. Thank you.
