For situational awareness I am sending you a couple of Twitter Profiles I came across while searching for videos of the civil disobedience that were taking place in Lafayette Park. The most interesting of the group being DC_oracle @oracle_dc which provides public maps with information on safe zones. The profile bio requests that people “please DM with intel or if you need urgent help.” This profile provides information on law enforcement presence as well as potential egress routes for protesters. The profile was created in June of 2020, currently has 3,585 Followers and has made 874 tweets/retweets. Screenshots attached for your review.
The second twitter handle of interest, Abolish The Police @alloutdc202, claims to be a collective of DC anti-fascist activists. The profile has 2,450 followers. I am attaching a screenshot of some posts of interest. I’ve done a brief skim of the profile and have not come across any posts inciting violence or any threats towards any USSS protectees/facilities. The profile has posted/retweeted timely updates on the situation in Lafayette Park and earlier today encouraged people to show up to Lafayette Park to help hold the line for the Black House Autonomous Zone (BHAZ).

The following Twitter profiles post and retweet similar posts as mentioned above:
1.) FreedomFightersDC, @FFD2020, 11.6 K Followers
2.) BlackLivesMatter DC, @DMVBlackLives, 64.4 K Followers

Good Afternoon,

I am forwarding this email per [redacted] out of office reply. I am trying to determine if there is any intel on the group or groups planning to protest in DuPont on Saturday. Specifically, I am trying to find out if there is any indication they
may travel away from their permitted area and possibly make their way to the DC federal courthouse, as the protest is in solidarity with the Portland protests involving the federal courthouse in that city. Thank you very much for any assistance you can provide.

Good Afternoon,

I was wondering if you are tracking the protests set for Saturday in DuPont Circle by the PNW Youth Liberation Front? The protests states it is in solidarity with the Portland protests, so I am trying to determine if there is any intel that the group may make their way to either the Superior Court or DC District Court, as the Portland protests largely involve the federal courthouse. As always, I appreciate any info you may be able to provide regarding this event. Thanks again for all your help.

On 07/27/20 from 2:00 PM to 7:00 PM the groups Kabattan Alliance (NRID), Migrante (NRID), GABRIELA (RID), Katarungan (NRID), Anakbayan (NRID), Malaya Movement (RID), and Bayan USA (RID) will host a demonstration called, “The People’s State of the Nation Address – Washington, DC.” The group plans to march and have a car caravan from Howard University Hospital to the Philippine Embassy. The purpose of the demonstration is to “Resist the US-Duterte Virus, Fight State Terrorism!” There was no indication of civil disobedience. According to Facebook 58 are going and 71 are interested.

My read is that whoever this is is afraid that if a large group gathers around shops or businesses that destruction of property is inevitable. I think they want to move it to LMC to do away with that "temptation".

Assistant Commander
Intelligence & Counterterrorism Branch

I was confused by it too. Wasn’t sure if they were re-routing everyone to LMC or if they plan on marching from 14th and U to LMC. Either way, we will have people monitoring.

I'm not too sold on this. The Twitter account was established in April 2020. Not sure how much coverage they are going to get or how many people they will pull off the larger group. The organizer of the larger group is still telling everyone that the demo is at 14th and U. No evidence that he's aware of the person telling people to go to the Lincoln.

Yep, sure do. Looks like it is starting at Eastern High School at 1600 hrs, going past Senator McConnell’s residence on Capitol Hill, then past Trump Hotel and stopping at Crown. The group plans on laying out body bags in front of Crown (don’t know exactly where though). The group is estimating 200 vehicles but we think that is optimistic.

We listed it on our daily report today:

**Wednesday, May 20, 2020:**

1600 to 2000 hours: According to open source information, Move On.org, along with other activist groups will assemble at Eastern High School and proceed to the White House, while passing Senator McConnell’s residence and the Trump Hotel, to conduct a 200-car political funeral procession for Covid19 victims. (196) Participants are interested in this event.
Good evening All,

Could you please conduct immediate research with your partners (Park Police, USCP, etc.) regarding possible COVID national day of mourning protests scheduled for tomorrow. Alleged news reports indicated that organizers are expected to have a 200+ car “funeral” process in DC and placing body bags in front of the WH. The protests are expected at Bedminster as well. Thank you!

Good morning Sir,

The information we received came from embassy staff. The staff said a few weeks ago a group showed up at the front gate and told them they were coming back with a group to protest on July 14th (France’s Bastille Day). They also said they would climb over the gate to raise their flag. I had our Open Source Unit search for any chatter about protest or UE at the Embassy. As of this morning they still haven’t found any information.

I pushed that event out to my command as being at 6:30 AM!!! Not sure what I was thinking for that. But then I just checked the Twitter link and it says that 13 hours ago they said it was postponed. Not sure what is going on, but I think I'll just let my people think the event occurred at 6:30 this morning. 😃

ALCON—

During routine SMA on demonstrations, the following activity was located on an open Telegram channel:

- Protestors are suggesting using balloons filled with paint to throw at police lines and vehicles.
- Protestors are reporting the locations of Long Range Acoustic Devices (LRAD), and how to protect against them throughout cities in the U.S. Nothing specific to the NCR was located.
- There were also four demonstration meet-up locations posted for the NCR. At the end of the post, the subject claimed, “expect action at Lafayette Square all day!” No further details were available.

Additionally – please keep this CLOSE HOLD as we did not announce this publicly yet – but MPD will be releasing the BWC videos for all MPD involved shootings and deaths that have occurred over the past few years tomorrow afternoon so this may lead to additional protests and demos popping up.

Our HQ JTTF folks have a few questions about ANTIFA being spotted in DC this past weekend. I know you guys were tracking some splinters of known ANTIFA or ANTIFA supporters around, but would you have anything you can share with us on this? Subject: indicators of Antifa support in the crowds in WDC this weekend?

Thanks for your help this weekend.

I’m doing a quick check to make sure we have consistency of law enforcement information with MPDC and maybe others – before we have our DIR briefings.

**PID didn’t report any indicators of Antifa support in the crowds (tactics, logos, flags....)**

I don’t remember seeing anything from WFO JTTF either.

However, USSS/CSD reported that MPDC advised they were able to confirm that a portion of the protestors were “known Antifa members” utilizing “homemade shields made from cutting plastic drums in half, hard hats and umbrellas to provide concealment for other members who were throwing objects at police. The protesters also used rope stretched across the street in an attempt to trip officers.” This caption accompanied the below image...
At this time, USSS doesn’t have any information indicating our folks witnessed Antifa support in the crowds. Does WFO JTTF agree with this? Did your FBI folks generate anything to contradict this?

Thanks so much for your help.

PFPA is inquiring about any protests in the area related to the George Floyd death in Minneapolis, Minnesota, as well as protests/counterprotests with the ReOpen Movement. We would like to know if any of your units are increasing manning or monitoring this weekend. Please send negative responses only to me, but affirmative responses should go to the group. Thank you for your assistance on this matter.

My read is that whoever this is is afraid that if a large group gathers around shops or businesses that destruction of property is inevitable. I think they want to move it to LMC to do away with that "temptation."

I was confused by it too. Wasn’t sure if they were re-routing everyone to LMC or if they plan on marching from 14th and U to LMC. Either way, we will have people monitoring.
I'm not too sold on this. The Twitter account was established in April 2020. Not sure how much coverage they are going to get or how many people they will pull off the larger group. The organizer of the larger group is still telling everyone that the demo is at 14th and U. No evidence that he's aware of the person telling people to go to the Lincoln.

Thank you. I will make sure SOD and Intel is aware of this information.

During routine SMA on demonstrations, the following activity was located on an open Telegram channel:

- Protestors are suggesting using balloons filled with paint to throw at police lines and vehicles.
• Protestors are reporting the locations of Long Range Acoustic Devices (LRAD), and how to protect against them throughout cities in the U.S. Nothing specific to the NCR was located.

• There were also four demonstration meet-up locations posted for the NCR. At the end of the post, the subject claimed, “expect action at Lafayette Square all day!” No further details were available.

Copy, thank you. My unit checked open source and couldn’t find anything either. We will keep checking throughout the day and see if anything pops up. If so, I will send you an update.

Additionally, would it be possible for you to add me to your distro list for events such as these? My unit is tasked with preparing a daily demonstration report that lists all known protests, First Amendment demonstrations, and marches, so this information would be very helpful. If you don’t already get our daily report, I would be more than happy to add you to it.

Good morning Sir,

The information we received came from embassy staff. The staff said a few weeks ago a group showed up at the front gate and told them they were coming back with a group to protest on July 14th (France’s Bastille Day). They also said they would climb over the gate to raise their flag. I had our Open Source Unit search for any chatter about protest or UE at the Embassy. As of this morning they still haven’t found any information.

Thank you

Good Morning All,

My command is hearing rumblings and getting inquiries about large demos planned for this Saturday. We aren't tracking anything major at this time. Do any of you have anything different from our intel?

Additionally – please keep this CLOSE HOLD as we did not announce this publicly yet – but MPD will be releasing the BWC videos for all MPD involved shootings and deaths that have occurred over the past few years tomorrow afternoon so this may lead to additional protests and demos popping up.

Thank you,
