Subject: Twitter Profiles of Interest For the Protests/Riots

For situational awareness I am sending you a couple of Twitter Profiles I came across while searching for videos of the civil disobedience that were taking place in Lafayette Park. The most interesting of the group being DC Oracle @oracle_dc which provides public maps with information on safe zones. The profile bio requests that people “please DM with intel or if you need urgent help.” This profile provides information on law enforcement presence as well as potential egress routes for protesters. The profile was created in June of 2020, currently has 3,585 Followers and has made 874 tweets/retweets. Screenshots attached for your review.

The second twitter handle of interest, Abolish The Police @alloutdc202, claims to be a collective of DC antifascist activists. The profile has 2,450 followers. I am attaching a screenshot of some posts of interest. I’ve done a brief skim of the profile and have not come across any posts inciting violence or any threats towards any USSS protectees/facilities. The profile has posted/retweeted timely updates on the situation in Lafayette Park and earlier today encouraged people to show up to Lafayette Park to help hold the line for the Black House Autonomous Zone (BHAZ).

The following Twitter profiles post and retweet similar posts as mentioned above:
1) FreedomFightersDC, @FFD2020, 11.6 K Followers
2) BlackLivesMatterDC, @DMVBlackLives, 64.4 K Followers
